CAREER

OBJECTIVE

Third-year Computer Science Engineering student with hands-on experience building full-stack web applications (Node.js, Express, MongoDB) and modern frontend interfaces. Comfortable taking a project from database design through deployment, with practical exposure to REST APIs, authentication, and role-based dashboards. Seeking an internship/entry-level opportunity to apply strong fundamentals in Data Structures, Networking & Security, and full-stack development to real-world engineering problems.

EDUCATION

D. Y. Patil Prasad Global University — B.Tech, Computer Science & Engineering 2025 – 2028 (Expected)
3rd Year | 2nd Year Aggregate: 9.095 / 10

Jaihind Polytechnic, Kuran — Diploma in Engineering Final Year Aggregate: 85.66%

Hira English Medium School — SSC (10th Grade) 91.20%

EXPERIENCE

Full Stack Web Developer Intern | Omegasoft Technologies Pvt. Ltd. 45 Days

- Worked on live web development projects using HTML, CSS, JavaScript, and MongoDB across the internship period.
- Built and styled responsive web page layouts and integrated MongoDB for data storage and retrieval.

Frontend Development Intern | Cosmo People Foundation (NGO), Maharashtra

- Modernized the organization's website across 16 HTML/CSS pages, executing a full brand color migration and removing legacy UI elements.
- Redesigned the contact form into a structured NGO registration form and fixed navigation visibility issues on the donations page.

[GitHub](#)

Full-Stack Developer (Freelance) | Prime Computers, Junnar, Pune

- Developed a Node.js/Express/MongoDB backend from scratch, including a Print Services module with PDF upload handling and Nodemailer email delivery.
- Implemented an admin dashboard and order-tracking system, along with rate limiting, Helmet security headers, and auth middleware for admin routes.

[GitHub](#) [Project](#)

Corporate Representative (Intern) | Internz Learn (Aug 2026 – Oct 2026, WFH)

- Selected as Corporate Representative to drive outreach and engagement on behalf of Internz Learn for the university, working remotely under guidance of the team lead.
- Managed day-to-day responsibilities independently in a performance-driven, target-based role, coordinating regularly with the team lead for training and support.

PROJECTS

VolunteerBridge — NGO Volunteer Management Platform Personal Project

- Building a full-stack platform with role-based dashboards (Coordinator, Manager, Volunteer) using React (Vite) and a Node.js/Express/MongoDB backend.
- Designed a dark-themed UI system with green accent styling; implemented dashboard scaffolding and role-based routing.

[GitHub](#) [Bridge](#)

PlaceMe — College Internship & Placement Portal Academic Group Project

- Developed a full-stack placement portal with role-based dashboards for Students, Companies, and TPO Admins, with a RESTful API, bcrypt/JWT auth, and Mongoose models replacing all localStorage data.

[GitHub](#)

Personal Portfolio Website Personal Project

- Designed and developed a personal portfolio website with a dark glassmorphism theme to showcase skills, projects, and experience.

PUBLICATIONS

Health Management System for Gym-Goers through ML IRJMETS, April 2025

- Co-authored a peer-reviewed research paper published in IRJMETS (Vol. 07, Issue 04), proposing an ML-based health management system for gym-goers.

TECHNICAL SKILLS

Languages: C++, Python, JavaScript

Web Development: HTML5, CSS3, JavaScript, React, Node.js, Express.js, MongoDB

CS Fundamentals: Data Structures & Algorithms, Theory of Computation, DBMS

Networking & Security: Network Security Fundamentals (X.800), Firewall Configuration (iptables)

Tools & Platforms: Git, GitHub, VS Code, Postman, MongoDB Compass

EXTRACURRICULAR ACTIVITIES

- Head of Event and Logistics at Kryptonex Tech & Innovation Club, organizing tech events for 100+ participants.
- Head of Startup at Innovation and Entrepreneurship Development Cell.
- Member of Lumi Vision Club, focused on social and college activities.
- Earned 30+ certifications across technical, sports, and other extracurricular domains.
